PROFESSIONAL EXPERIENCE

Northland Applied Kinesiology

Owner 4897 Miller Trunk Highway, Suite 228

Hermantown, MN 55811

218-727-3343

Provide natural care for patients with health problems that have not been successfully treated through other means of health care.

February 2011-Present

Applied Kinesiology Center of Los Angeles

Associate

2990 S. Sepulveda Blvd, Ste. 203

Los Angeles, CA 90064

310-445-3350

Treated patients with chronic and complex health problems using chiropractic care, Applied Kinesiology, Retained Primitive Reflex Integration, Interactive Metronome Training, clinical nutrition, and laboratory testing. Currently working with children suffering with developmental disabilities and attention problems and adults with digestive, hormonal, and chronic pain problems. Educating the community by providing classes to gyms and Whole Foods Markets in West Los Angeles and speaking annually at UCLA for the National Youth and Leadership Forum on Medicine.

February 2008-January 2011

The Lumbar Yard

Associate

2201 Lakewood Blvd, Ste E Long Beach, CA 90815

562-961-7660

Treating common health problems naturally using chiropractic care, Applied Kinesiology, and Retained Primitive Reflex Integration. Educating through programs directed toward preventative healthcare and using natural care, proper diet, and exercise.

February 2009-January 2011

TEACHING EXPERIENCES

Applied Kinesiology Center of Los Angeles

Chiropractor

Provide monthly educational presentations at multiple Whole Foods Markets explaining basic human physiology and health care.

Educational presentations include:

- Your Food can cause Your Illness
- Skin Care that Hurts
- Organic Shopping on a Budget
- Getting the most from your Vitamins
- Staying Sweet without the Sugar
- Sunscreen that Burns
- Reversing and Preventing Childhood Obesity
- Natural Treatments for Autism and ADHD
- Easy Tips for a Healthy Summer

Logan College of Chiropractic

Peer Tutor

Tutored peers in subjects of biochemistry, physiology, anatomy, and Applied Kinesiology. Provided after-hours tutoring for peers of various levels of education.

September 2004 – December 2007

February 2008-January 2010

Applied Kinesiology Club Leader

December 2006 – December 2007

Headed the club that introduced and taught Applied Kinesiology to up-coming chiropractors. Met twice a week to develop skills of the beginners and introduce new research and information to those with more experience.
